APPLIED TO
ENTREPRENEURSHIP

Experience Miami this Summer

CIS UNIVERSITY

in partnership with THE IDEA CENTER

MIAMI DADE COLLEGE

ai MEETS ENTREPRENEURSHIP IN MIAMI

Spend 10 days in Miami exploring **AI applied to entrepreneurship**. The program takes place at **Miami Dade College**, with AI classes held at its **AI Center**, a national reference for innovation. You will participate in activities at **The Idea Center**, the university's **entrepreneurship and innovation hub**, including group projects, study sessions, and office hours.

You'll also attend tech talks and company visits connected to **Miami's startup ecosystem**.

At the end, receive official certificates from Google, Miami Dade College, and CIS University.

WHAT IS THE ai center?

ai HAPPENS...

FROM June 22 TO June 30
2026

*Students are advised to arrive at least one day before the program start and depart at least one day after it ends. Recommended arrival: June 21 | Recommended departure: July 1.

ai takes place in miami because...

Work and learn at The Idea Center, Miami Dade College's entrepreneurship hub, and its AI Center, a top innovation campus in Florida.

This makes Miami one of the fastest-growing startup hubs in the U.S., offering students direct exposure to a thriving tech and entrepreneurship ecosystem.

Miami is a multicultural city with strong ties to Latin America and Europe, especially culturally with Spain, giving students an international perspective while exploring entrepreneurship and AI.

Miami also has the fastest growth rate of any U.S. city, making it a hotspot for AI, tech, and entrepreneurial opportunities—perfect for students to learn, connect, and innovate.
