

CIS BUSINESS CLUB

>Mission

CIS Business Club mission is bringing together current students and alumni who are passionate about Business providing them with alternative academic and professional activities.

CIS Business Club fosters connections between students on campus and businesspeople across the CIS community, aiming to create a strong network with our currents and past students and professionals.

The Club provides its members with international business opportunities by exposing students to speakers, cases and information from the business world.

>Membership

Membership in the CIS Business Club is available to undergraduate students and alumni.

>Main activities

- We participate in the organization of CIS International Conference (UES).
- We write business cases to be used in our business courses.
- We invite guest speakers to CIS University.
- We work with CIS Internship & Alumni department in the search for job opportunities.
- We participate in the organization of entrepreneurship activities.
